Community Church Announcements

TO HOLD OPEN HOUSE

Rev. F. S. Dick Wichman and Mrs. Wichman will be at home to the congregation and friends of the Lakeside Community Church at the manse (the ministers home) on Thursday, January 1 from 2 until 6 p. m.

IMPRESSIVE SERVICES

The high school young people are to be congratulated for the beautiful way in which they decorated the church and they wish to thank Otis Barker for the fine tree he donated. The young people are also to be congratulated for the beautiful service they conducted for the community church Sunday, December 21. The president, Don Nelson, was in charge of the services. Scripture interludes was read by Jim Woodward, Luddy Lewis gave the history of "Silent Night," Clarabelle Huffman sang "Jesus Bambino," Leroy Dillon read a Christmas poem and Clare Clevenger gave a reading "The Other Wise Men". The high school choir sang three numbers. The boys and girls wish to thank Mrs. Guy Miller for her accompaniment on the piano.

ENJOY HIKE

On Tuesday, December 23, the high school young people climbed El Capitan mountain, leaving from Walt Hartung's ranch. It was a very difficult climb but the young folks had a grand time. Plans were made for the coming year. This same group will go caroling tonight, Christmas Eve, and have quite a list of shut-ins to visit.

NEW YEAR'S PARTY

The young people of the church will hold a New Year's Eve Watch Party. The entire group will meet at the manse for games and fellowship. They will spend the last few minutes of the old year and the first few minutes of the New Year in devotion recognizing that the best way to start the New Year is with God.

TUXIS GIRLS MEET

The Tuxis Girls met at the home of Mrs. M. C. Woodward Monday morning and enjoyed a spaghetti lunch. The rest of the afternoon was spent in the making of doll clothes for one of the girls whose home was destroyed by fire last week.

The next meeting of the club will be held January 29 and will be an organization party at which time they will elect officers, formulate by-laws and close the list of charter members. Any girl joining the club after this date will have to be initiated. The girls now have their Tuxis Pins.

ENJOY OUTING

The Y Tribe (Friendly Indians) enjoyed a trip to San Diego Saturday, December 20 stopping at Balboa Park for lunch after which they were shown through the Coco Cola Bottling factory. They then attended the California Theatre and saw "Rise and Shine" and "The Gay Falcon". When they arrived home they bought a Christmas present for one of the local boys.

TO MEET AT CHURCH

The Monentita Girls will meet at the Church Wednesday December 31 at 2 o'clock for a regular meeting and to plan their activities for the coming year.

WISHING YOU ★ A MERRY CHRISTMAS

We choose the simple, age-old greeting, "Merry Christmas," to hail you, our friends, in this joyous holiday season. We choose these time-worn words because we believe them best qualified to carry the full quota of sentiment and Christmas

good will that we want to convey. To have served you from time to time has indeed been an enjoyable experience, and we will strive to merit a continuance of your patronage and friendship during the coming year.

HEAVY DEMANDS MADE ON TELEPHONE COMPANY

N. R. Powley, president of Southern California Telephone Company, commenting on the Pacific Coast increased telephone demands as a result of the war situation, stated:

"Never in its history has our company handled, in a similar period, the tremendous volume of telephone traffic which the extraordinary demands for telephone service have placed on our system in the last ten days.

"We deeply appreciate the fine cooperation and understanding of the telephone-using public and their splendid assistance in not making other than the most urgent calls which greatly aid us to 'get the message through' for telephone calls important to defense.

"Our organization is doing its level best to render the best possible service and to play its full and patriotic part in this great national emergency. It is traditional in our business that

TRUCK CATCHES FIRE

Residents near the Lakeside Grammar School had a bit of excitement last Sunday afternoon when a truck belonging to Forrest Boerner caught fire. The El Cajon Fire Truck was called to the scene but with the help of neighbors the fire was out by the time it arrived. Considerable damage was done.

FIRESIDE DISCUSSION

The Executive Committee of the High School C. E. will hold their regular supper business meeting at the Manse beginning at 5:30 Sunday, December 28. The regular C. E. evening meeting will be a fireside discussion.

our people always rise to the height of any emergency. They have shown again in a glorious way that spirit and will-to-do which are of such vital importance in these tragic and critical times. Calmly and effectively our men and women are serving the great cause of human freedom."

TO SPEND WEEK END AT PASADENA

Mr and Mrs. M. C. Woodward and son Jimmy, will spend Christmas Day at the home of Mr. Woodward's mother, Mrs. Charles Woodward, of Pacific Beach. The week end following Christmas they will go to Pasadena to visit with Mrs. Woodward's mother Mrs. Agnes Rogers.

PARTY IS POSTPONED

The party that was to have been held December 15 for the wives of Defense workers and Service men has been postponed until January 12 at Pacific Square instead of Balboa Park where it was to have been. The County Federation of Women's Clubs will work in cooperation with the U.S.O.

SELL HOME

Mr and Mrs Charles Andrews have sold their ranch in Lake side Farms to Mr. and Mrs. Price and have moved to San Diego.

ANXIOUS to do their bit in San Diego County's defense program, horsemen are organizing a mounted unit for service on patrol duty in the event of an emergency. Pictured are four leaders of the movement to form a troop which will be absorbed into the Eighth Regiment, California State Guard. All San Diegans, they are, left to right, Councilman Fred W. Simpson Phil Nyhas, Herb Harper and Harwood Phillips, having a practice gallop.

The Eighth Regiment, California State Guard, composed of companies in San Diego and Imperial Counties, is organizing a mounted unit in which enrollments are now being sought.

This unit will undertake one of the more interesting phases of the defense program locally,

in that the members will do patrol duty, if and when called upon, in areas not readily accessible to the automotive groups or foot soldiers.

ENROLL IN UNIT

In San Diego, numbers of horsemen have expressed a desire to enroll in the mounted

unit. No decision has been made regarding formation of similar units in the county, or in Imperial Valley.

Several companies of the C.S.G. have been called into active duty, and are undergoing training as a stand-by organization in the event of an emergency.

Assessors Office To Train Deputies

Preparations are being made in the County Assessor's office for the big job of taking property statements of citizens of San Diego County in the spring of 1942. This preparation is no small task, in view of the large number of new residences and the increased population.

As in former years, a class for training the seasonal deputies will be held in January and February. These deputies will be sent into the field to contact the taxpayers and assist them in making their statements rather than requiring that they come into the Assessor's office to make statements.

FINAL EXAM FEB. 6

Between eighty and one hundred seasonal deputies will be given from two to five months' work, some of them in the field and some in the office completing the statements which come in from the field. The class for training these deputies will be held in the Roosevelt Junior High School at Upas and Park Boulevard, Mondays, Wednesdays and Fridays from 7:00 to 9:00 pm. for five weeks beginning January 5 to February 6, inclusive. Final examination will be held on February 6.

Last year for the first time, women as well as men were employed as seasonal deputies in the field. This practice will be continued this year.

ALL MAY ATTEND

The class is a part of the San Diego Vocational High School and all citizens who wish to attend are eligible, even though they may not care to receive employment. The instruction will be given by Mr. Ray Lanto, head of the personal property division of the Assessor's office, under the supervision of Crowell D. Eddy, Assessor, and will deal with the laws and principles of assessment and property taxation.

Registrations will be taken at the Assessor's office in the Civic Center beginning December 22. A registration fee of \$1.00 is charged by the San Diego Vocational School. Last year there were 452 registrations for the school. This year the registrations will be limited to 450. Out of this number between 80 and 100 will be given employment by the County in the Assessor's office.

THREE DAY VACATION

The Pioneer Club is planning a three night vacation trip beginning Monday, December 29 and ending Wednesday, December 31.

CHRISTMAS

Give us, Lord, a bit o' sun,
A bit o' work and a bit o' fun;
Give us all in th' struggle and sputter
Our daily bread and a bit o' butter;
Give our health, our keep to make
An' a bit to spare for poor folks sake;
Give us sense, for we're some of us buffers,
An' a heart to feel for all that suffers;
Give us, too, a bit of song,
An' a tale, and a book to help us along;
An' give us our share o' sorrow's lesson,
That we may prove how grief's a blessin'.
Give us, Lord, a chance to be
Our goodly best, brave, wise and free,
Our goodly best for ourself, and others,
Till all men learn to live as brothers.

(This ancient prayer was found on the wall of an old inn in England).

TO OUR FRIENDS

In a typical rural American community like ours, that immortal Christmas message—"Peace on Earth, Good Will Toward Men"—finds its truest meaning and its sincerest applications.

For it is here that the individual really counts. Nowhere else are people so willing to lend a helping hand to a fellow man. No cry of distress remains unanswered, no plea for help ignored. Not only at Christmas time, but throughout the year, every day activities of our friends and neighbors are guided by a sense of brotherly love.

Even our friends and relatives of the large cities realize and admit that Christmas "back home" is the finest Christmas of all. And "back home" they'll come, every year, every one of them, if they can.

In ordinary times these facts might be considered unimportant. But in a stricken world that must come to adopt as its cardinal objective that same message of Christmas—"Peace on Earth, Good Will Toward Men"—the significance of the part we must play in shaping the future of mankind stands out in sharp relief. In so much of the world the individual counts for little. In communities such as ours in America every human being retains the rights and freedom of the individual.

If we epitomize the true Christmas spirit, we represent the truest of democratic ideals. And thus each of us has a sacred, yet simple, duty to perform. We must reaffirm our will to continue being a peaceful neighbor and a faithful friend. If we do this and do it in the divine spirit of Christmas, the world can continue to look to us as the bulwark of high ideals.

This newspaper realizes that as a member of this community we have our obligation to fulfill. We have tried to be a "good neighbor and true friend" to all of you. We will continue to be. And we know that in turn you have the same feeling toward us.

With this faith uppermost in our hearts we wish for you an abundance of all the blessings that will bring you—A MERRY CHRISTMAS.

PEACE IN A PEACELESS WORLD

The world was then one terrible mess! The peace loving countries were over run with aggression. Dictators had conquered and re-conquered the world, crying when there was no one left to fight. Human beings were slaves of the state and personality was subjected to materialism. Taxation without representation was the standard. There was corruption in government, corruption in religion, corruption in business, corruption in family circles, corruption in personal living—corruption was the synonym of life. Pride was evaluated over humanitarianism and survival of the fittest out ruled charity. In such a world as this each man had one hand on his sword, the other on his money bag, and his eyes were shifty and alert to the business of self preservation with a shrewd outlook for an expeditious surplus.

On this preoccupied world a star shown out to mark the most catastrophic incident in his tory yet only a handful of persons were prepared to observe it. Three or four philosophers from the highest bracket of economic life who had all this world could give and now could look back and discover that they had nothing, and a small group of plebeian shepherds who were at the bottom of the economic scale and could see through the sham of security through material possession. To these and these only was the revelation of God's regeneration for the lost world made known. To these anti-materialists and they only was that "peace that passes understanding" given. Peace in a peaceful world.

Today we find ourselves in similar circumstances yet not quite so thoroughly degenerate. Today, in our dictator ridden, war torn, tax burdened world we grip our sword and pinch our money and peer down into the darkness about—yet still that star shines and he who would find peace is he who will look up, praise God and place laughing, loving and worshiping as essentials of life over materialism, pride and sensation.

D. W.

THE BLOOD AND TEARS

Through many months America has slowly come to grips with the toil and sweat of war. And now America is making the sacrifice of blood and tears; blood of heroes, and the tears of the mothers who bore them. The first long casualty list was led by the name of a California boy: First Lieutenant Hans Christiansen, 21, of Woodland, a marine aviator, killed in action at Pearl Harbor. To his mother, to all such mothers as she who must grieve, applies a message from Abraham Lincoln, written in his own hand on November 21, 1864, to a mother who had lost five sons in the Union Army:

"Dear Madam: I have been shown in the files of the War Department a statement of the Adjutant General of Massachusetts that you are the mother of five sons who have died gloriously on the field of battle. I feel how weak and fruitless must be any word of mine which should attempt to beguile you from the grief of a loss so overwhelming. But I cannot refrain from tendering you the consolation that may be found in the thanks of the Republic they died to save. I pray that our Heavenly Father may assuage the anguish of your bereavement, and leave you only the cherished memory of the loved and lost, and the solemn pride that must be yours to have laid so costly a sacrifice upon the altar of freedom. Yours very sincerely and respectfully, A. Lincoln."

So might the nation express the thanks it feels to the mothers who are laying the costliest sacrifices upon the altar of America's freedom in this terrible war of today.

There are four Naval Training Stations where Naval recruits are trained before going aboard ship or entering one of the Trade Schools. They are at Newport, Rhode Island; Great Lakes, Illinois; Norfolk, Virginia; and San Diego, California.

"What means this glory round our feet,"
The Magi mused, "more bright than morn?"
The voices chanted clear and sweet,
"Today the Prince of Peace is born!"
James Russell Lowell.

We must take care to indulge only in such generosity as will help our friends and hurt no one. . . for nothing is generous, if it is not at the same time just.—Cicero.

Give, if thou canst, an alms, if not, afford, instead of that, a sweet and gentle word.—Herrick.

Tax Sale No. 1883-1 to 5 Inc. & 1899-1 to 3 Inc.

NOTICE OF SALE OF PROPERTY DEEDED TO THE STATE FOR DELINQUENT TAXES

WHEREAS, I was on the 10th day of November, 1941, directed by the Board of Supervisors of San Diego County, State of California, and there was received by me and filed in my office an authorization of the State Controller, dated November 18, 1941, to sell at public auction, for cash in lawful money of the United States, certain tax deeded properties, public notice is hereby given that unless the said properties are redeemed, as provided by law, I will on the 14th day of January, 1942, at the hour of 9:30 o'clock A. M. in the Tax Collector's office in the San Diego City and County Administration Building at 1600 Pacific Boulevard in the City of San Diego, sell as directed the said property for a sum not less than the minimum price set forth in this notice.

The Mess Hall at the Naval Academy has Language Tables where no English is spoken.

Many a true word is spoken by mistake.

'Tis Christmas! Our thoughts revert from the complicated to the simple, from the cares of maturity to the carefree thoughts of childhood, from the material to the spiritual.

'Tis Christmas! . . . time to count our many friends and recall the happy relationships we have had with them during the year . . . time to express our gratitude and to wish all our friends the choicest blessings the Yule season can bestow.

Kibbey & Scott

PREPARE CAR TO LAST

Because most automobile factories are now busy with defense production, the replacement of damaged or worn automobile parts may be definitely delayed, warns the Automobile Club of Southern California. Now is the time to prepare your car for lasting service.

Do your part for Defense by having your automobile inspected regularly for economy and safety.

CHRISTMAS GREETINGS

For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counselor, The mighty God, The everlasting Father, The Prince of Peace.

Of the increase of his government and peace there shall be no end, upon the throne of David, and upon his kingdom, to order it, and to establish it with judgment and with justice from henceforth even for ever. The zeal of the Lord of hosts will perform this.—Isaiah 9-6,7

Mr. & Mrs. Merton Thomas

LESS CHECKS ISSUED IN NOVEMBER 1941

Unemployment insurance payment in California for November, 1941, dropped nearly \$2,000,00 compared to the same month for 1940, according to announcement by Ray Mathewson, manager of the San Diego office of the Department of Employment.

Payments in the San Diego area totaled \$98,174 for November of this year, compared to \$103,945 for the same month in 1940. Total checks issued in this area were 7,556 compared to 8,355 for November, 1940.

Throughout the state, the total checks issued during November amounted to 219,861, compared to 362,161 in November, 1940. Insurance paid totaled \$3,042,826 last month, compared to \$4,982,914 in the same month of the previous year.

DAIRYMEN PREPARED TO MEET CHALLENGE OF AXIS POWERS

"San Diego County dairymen are prepared and eager to meet the challenge of the Axis powers," declared F. W. Dorman, assistant farm advisor of the University of California. "As loyal citizens and good dairymen their job is to produce more milk and do it more efficiently than has ever been done before. This they are prepared to do."

The United States government, through the County United States Department of Agriculture Defense Board chairman W. E. Bradbury has asked that increased agricultural production be kept on a sound financial basis. No one wants the dairymen to over-expand or become heavily indebted, Dorman stated.

"Increasing feed and labor costs are making greater efficiency in management essential", Dorman continued. "Many dairymen have found that by pasturing more, they cut labor and feed costs, and that by feeding according to production they get more milk with less concentrates. Barley or oats planted now may be used for spring pasture, saved for hay or made into ensilage. Barley, oats or domestic rye grass disked into old alfalfa stands will increase the amount of total forage available and reduce the farmer's feed bill," stated Dorman.

BUILDING PERMITS REQUIRED IN COUNTY

According to Charlie H. Salvers, Chief Building Inspector for the County of San Diego, many persons are of the opinion that no building permit is required in the unincorporated territory of San Diego County. However, this is a false idea. Ordinance No. 227 reads in part as follows:

"It shall be and it is hereby made unlawful for any person, firm or corporation to erect, or cause or permit to be erected, any building or structure costing \$100.00 or more (labor and material) or which exceeds 100 square feet in area, in unincorporated territory in the County of San Diego, without having first obtained a permit therefor in the manner hereinafter provided."

These permits can be obtained from the County Building Department, Room 306, in the Civic Center, either in person or by mail. A fee of one dollar is required for each separate building.

The issuance of many permits are delayed for lack of required information. The two most common omissions are, in complete or no legal description and no certificate of workmen's compensation insurance. The legal description may be had from owner's deed or tax bill. If the owner or builder intends to employ labor of any kind on the construction he must, according to the new State Law (Assembly Bill 124) file with the Building Department a certificate of Workmen's Compensation Insurance, issued by an admitted insurer.

Section 6 of Ordinance 227 reads substantially as follows:

"Any person, firm or corporation violating any of the provisions of this Ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined in a sum not exceeding Fifty dollars or be punished by imprisonment in the County Jail of San Diego County for a period not exceeding thirty days or by both such fine and imprisonment."

GREETINGS TO ALL OUR FRIENDS

★ We celebrate now the birth of one who gave us the Sermon on the Mount, the keystone of whose arch was the injunction "Love ye one another." Upon this firm foundation all human friendship is built.

We have been proud to count you among our loyal friends for many years, and now renew our pledge of friendship. We also take this opportunity to extend to you all good wishes for a joyful Christmas and holiday season.

HUFFMAN BROS.

AVOCADO GROWERS MEET ON JANUARY TWELVE

Dr. L. D. Batchelor and Marvin Rounds of the University of California Citrus Experiment Station were the guest speakers at the San Diego County farm bureau avocado department meeting held in Escondido, December 9. Rounds spoke on the search being made for an improved avocado variety. He asked growers to co-operate in eliminating from the market the less desirable varieties by topworking the trees. Dr. Batchelor, director of the Experimental Station, told of the progress being made on the sixty experimental projects being conducted at the station. He said many of these projects were directly related to the solution of problems now experienced by avocado growers. Among the more important are biological control of harmful insects, salt accumulation in soils, irrigation water quality, changes in irrigation water quality, loss of nitrogen fertilizers, basic nitrogen requirements, diseases of avocados and fixation of some fertilizer materials in soils, according to chairman William Bevan of Escondido.

Bevan announced that the next meeting would be held in Fallbrook January 12 with A. R. Chenoweth, local leader, to plan the tour of groves following a picnic lunch and an address by Arthur W. Christie of the California Walnut Growers Association on the subject of marketing farm products efficiently through cooperatives. All growers are invited to attend.

REPORT NEW ADDRESS TO NAVY HEADQUARTERS

All next of kin of Navy personnel who have changed their address should report this information to the Bureau of Navigation, Navy Department, Washington, D. C., it was announced at Eleventh Naval District headquarters.

Authorities re-emphasized the District Commandant's request, made public Monday, that families and dependents refrain from telephoning or telegraphing District Naval headquarters for information concerning rumored casualties.

The policy of the Navy Department, it was said, is to advise next of kin as soon as possible when casualties occur.

Local naval officials urged next of kin to wait for the facts, and not be alarmed by unfounded reports.

Defense Bond Quiz

Q. What is the best safeguard for my child's future?

A. Buying Defense Savings Bonds, which will help the Government to preserve your child's American heritage of freedom.

Q. Will there be an intensive drive to sell Defense Savings Bonds and Stamps?

A. The Treasury Department sees in the response to the program so far indication that Americans will support National Defense on a voluntary basis, without high-pressure methods.

Q. What is the Treasury's underlying thought in avoiding a pressure campaign to sell Defense Savings Bonds and Stamps?

A. The belief that the American public is anxious to aid to the limit in defense of the Nation, and also wants to save money for future needs, especially since such savings will help to keep down the cost of living.

Q. Should I buy Defense Savings Stamps at retail stores rather than at post offices and banks?

A. Buy stamps wherever it is most convenient. The important thing is to purchase Stamps as often as you can, and exchange the completed Stamp album for a Defense Savings Bond.

Note.—To buy Defense Bonds and Stamps, go to the nearest post office, bank, or savings and loan association; or write to the Treasurer of the United States, Washington, D. C. Also Stamps are now on sale at retail stores.

When the new battleship USS Massachusetts puts to sea it will have on board a library of 2,000 books.

S D ZOO IS DOING "BUSINESS AS USUAL"

The San Diego zoo, world famous for its 3000 birds and animals, is doing "business as usual" in Balboa Park.

The San Diego Zoological Society which operates the popular zoo, announced that the military occupation of some of the buildings in Balboa Park "will in no way affect the operation of the zoo."

Many people have gotten the impression that the zoo has been taken over by the government," said Belle Benchley, the society's executive secretary. "This, of course, is not the case."

OPEN FROM 9 TO 5

"We are still operating every department as usual, and regular hours are from 9 a.m. until 5 p.m. daily including Sunday. It is possible to reach the zoo from Park Boulevard, and Alameda Drive."

Mrs. Benchley said that ample parking facilities are available just north of the Spanish Village, which can be reached from Park Boulevard.

Bus trips around the zoo, with a running description of the animals, are operating on schedule.

ANIMAL SHOWS

Animal shows are being held in the Wegeforth Bowl each afternoon, except Mondays, it was announced.

Mrs. Benchley cited the fact that considerable interest is being shown in the many new exhibits which have been obtained during the past year including three baby elephants, two female gorillas, a pygmy hippopotamus, the only one on the coast and hundreds of other rare animals and birds.

Civilian guards at the Naval Academy are called "Jimmy-legs" by the midshipmen.

LEADERS STATE GRANGE IS READY TO ASSIST IN EMERGENCY

The Executive Committee of the California State Grange meeting at Sacramento just two days after Japan declared war on the United States, made plans for marshalling the Grange membership for the greatest possible assistance during the war emergency.

State Grange Master George Sehlmeier declared, "There is work to do for the California farmer, and the Grange, the largest and strongest farm organization in the State, will use its facilities of organization to the greatest possible advantage in helping our country during the critical period ahead."

Sehlmeier stressed the need for conservation of food in every way possible and stated that more than two hundred fifty Grange Home Economics Clubs in the State, representing the largest organization of farm women in California, are well prepared to carry out a program for conserving food, making better use of the food we have, and encouraging production of more food.

This is the season for good cheer — fateful though 1941 has been. This is the season for peace in the hearts of men. May peace be yours always, is our wish in appreciation of your good will towards us.

Mr. & Mrs. Tom LaMadrid

OUR BUSINESS is dependent upon our many loyal friends who have favored us in many ways during the past year.

It may have been through your patronage... it may have been through a kindly word of recommendation on your part... but in whatever way you have favored us, we are grateful.

It is our sincere and ardent wish that each of you may receive the full blessings of a joyous Yuletide season.

TO ALL OUR FRIENDS

Now... when echoes of the angel choir are heard throughout the land, it is time to pause and count our blessings. They are more numerous by far than we had imagined, for which we should be duly grateful.

And the employees and members of this concern are grateful to you for the happy relationship we have enjoyed during the year, and pledge ourselves to strive still more earnestly to deserve your continued friendship.

CECIL'S CAFE

AMONG the most cherished remembrances of the past year are the pleasant relationships we have enjoyed with the people of this community.

To old friends, to new friends, and to friends-to-be we extend the season's greetings. May all of you experience the choicest blessings of the Christmas season.

James Yoakam

California Karakul Sheep Co.

Once again the reindeer sweep down from the North with their cargo of cheer. About time that we were thinking of the friends who have so loyally remembered us.

Your generous patronage has helped make our year a good one, and we are taking this means of sending you a word of personal thanks to let you know how much we value your friendship.

We sincerely hope that your holiday season will be exceptionally happy.

**RECORD KEEPING
TO BE DISCUSSED
AT JANUARY MEETING**

Prevention and control of chicken diseases was discussed by Dr. W. R. Hinshaw of the University of California poultry pathology division at a meeting held by poultrymen at the Grossmont Union High School. Many of the diseases can be prevented by better management through greater sanitation. There are many nutritional deficiencies that show up where poor feed or unbalanced rations are used.

Pox vaccination recommended for chicks 6 to 8 weeks old was the best procedure yet chickens in healthy condition can be vaccinated at any period of the year.

The meeting was sponsored by the Agricultural Extension office and the Farm Bureau poultry department, stated B. J. Hall. The next meeting to be held in January will take up farm record keeping for income tax reports. Mr. Jean C. Miller of the farm advisor's office will present this material, stated Ralph Wagner, president of the poultry department.

Farmers having to turn in their records for income tax reports are urged to attend the next meeting outlining the procedure of keeping accurate farm records with the least amount of effort.

**NEW COMEDY TO SHOW
AT LAKESIDE THEATRE**

Her husband told her to get a hobby, but he never expected her to pick a tall, tan, sea-going glamour-guy. And when the hubby is a "love" doctor who makes his living fixing up other people's lives, then you have one of the most unusual situations ever filmed.

This is just what happens in 20th Century-Fox's new comedy "Moon Over Her Shoulder," the film due Sunday, Monday and Tuesday at the Lakeside Theatre.

IRENE'S CAFE

To Everybody

We know the jolly little man from the North has not forgotten you.

And neither have we, for right here and now we are wishing you the merriest Christmas season ever, and adding our thanks for your interest and favors of the past year.

El Cajon Junk Co.

**L. A. TURF CLUB
COOPERATES WITH
MILITARY AUTHORITIES**

Acting upon the statement of Lt. General John De Witt of the Fourth Army Command that "if by January 15 or any other date the situation is alleviated, there would be no objection to the opening of Santa Anita", full speed ahead was ordered in preparation for the deferred opening of the Los Angeles Turf Club course.

"I am deeply grateful to the General for his message and I believe because of it he is giving consideration to the part racing can play in stimulating public morale, just as it is doing in England," commented Dr. Charles H. Strub, managing director of the track.

Dr. Strub, who responded promptly to the Fourth Army Commander's request for cancellation of the original opening on December 31, stressed that the track will continue to cooperate in every way possible with the military authorities.

**DRIVERS ASKED TO
MINIMIZE NIGHT DRIVING**

California owners of pleasure cars are asked by the Department of Motor Vehicles to curtail night driving to the absolute minimum until further notice.

This precaution, it was stated is necessary to make blackouts more effective, to clear the roads for the movement of commercial and military vehicles and to reduce the possibility of accidents.

Night driving, Department of ficials said, should be engaged in only for the conduct of essential business. Whenever possible, trips should be arranged so that the motorists does not have to travel after nightfall.

CHRISTIAN SCIENCE CHURCHES

"Christian Science" is the subject of the Lesson-Sermon on Sunday in all Churches of Christ, Scientist. The Golden Text is from Matthew: "Heal the sick, cleanse the lepers, raise the dead, cast out devils: freely ye have received, freely give."

A Bible selection in the Lesson-Sermon includes these words of Jesus from John: "If ye love me, keep my commandments. And I will pray the Father, and he shall give you another Comforter, that he may abide with you for ever; . . . I have yet many things to say unto you, but ye cannot bear them now. Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will shew you things to come. He shall glorify me: for he shall receive of mine, and shall shew it unto you."

One of the passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, states: "Our Master said, 'But the Comforter . . . shall teach you all things.' When the Science of Christianity appears, it will lead you into all truth. The Sermon on the Mount is the essence of this Science, and the eternal life, not the death of Jesus, is its outcome."

Christmas 1941
GREETINGS TO ALL

Mr. & Mrs. S. Conant

WILL SPEND HOLIDAYS IN SAN DIEGO

Mr. and Mrs. Edward Dwyer of Lakeside Farms will spend Christmas Day at the home of their daughter and son in law, Mr. and Mrs. Everett Gee Jackson of San Diego, and the holidays 'with their son and daughter in law, Mr. and Mrs. William Dwyer.

VISITS DAUGHTER

Mrs. Marvin McCray enjoyed a visit at the home of her daughter Mrs. Sheldon Fay who lives in Beverly Hills.

Mrs. McCray also heard from her son, Ensign Marvin McCray, Jr., who is stationed in Kaneohe, Hawaii, that both he and his wife are safe and well.

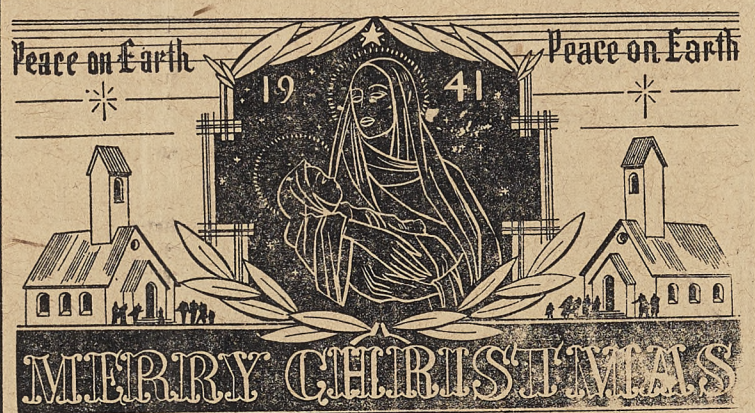

VISIT GRANDPARENTS

Mr. and Mrs. C. O. Brown of Whittier were week end guests at the home of the G. W. Conrad's in Riverview Farms. Mrs. Brown was formerly Miss Florence Griffiths. Mr. and Mrs. Claude Morton, of San Diego, were also callers on D. Ann's grandparents Sunday afternoon.

RED CROSS WORKERS NEEDED IN LAKESIDE

Mrs. E. H. Thurlow, Red Cross chairman of Lakeside Woman's Club, states that workers for the Red Cross are badly needed in Lakeside. Women who would like to assist in this worthy cause are asked to be at the Woman's Club on Monday afternoons from 2 to 4 p. m.

Be civil to all: sociable to many; familiar with few; friend to one; enemy to none.
— Benjamin Franklin.

Christmas! That glorious season of seasons which draws the soul out of bondage in spite of binding withes and cutting cords, enabling the spirit to soar upwards whence the melody has descended! May that Peace of Spirit which is our divine heritage be yours in full measure this Yuletide season, with all the material joys that make life abundantly worth while.
